BRICKS ARE HURLED FROM THE HOUSETOPS

Two Hundred and Fifty Policemen Required to Quell Riot in New York City.

New York.—"San Juan Hill," the district bounded by Amsterdam and West End avenues and Sixty-first and Sixty-third streets, so-called because of its notoriety as a battleground, was the scene Friday night of a furious race riot, which required 250 policemen to quell, after many shots had been fired and several persons had been seriously injured.

The trouble began shortly after 9 o'clock, when a policeman arrested Edward Connelly for attacking Henry Williams, a negro, and was pursued to the station house by a mob of Connelly's friends, hurling showers of stones and other missiles.

When the station house reserves turned out the whole neighborhood was in an uproar, and whites and blacks engaged in a desperate struggle. Torrents of missiles were hurled from roofs and windows. Within ten minutes not less than a thousand men, boys and women, black and white, were engaged in a furious combat. The small party of police were powerless, and reinforcements were summoned. On their arrival a cordon was drawn around the whole district and strong patrols made repeated charges down the streets in a vain effort to restore order. They succeeded in making a few prisoners and were forced to retreat, fighting every inch of the way and pursued to the station house by a howling mob.

The worst of the fighting was in Sixty-second street, where from every window and roof, rained missiles, while hundreds of shots were fired. Roundsmen Patrick Walsh was knocked down by Jessie Smith, a negro, who leaped upon him and, after attempting to shoot him, struck him repeatedly with the butt of his revolver. Walsh was finally rescued by his comrades.

TORN FROM HIS BRIDE.

Fifteen-Year-Old Boy Lied to Get a Wife.

Kalamazoo, Mich.—Delbert Preston, 15 years old, has been torn from the arms of his girl bride, formerly Pearl Catherman, by Under-Sheriff McElroy, and lodged in the county jail on the charge of perjury by giving a false age when securing the license.

Preston and Miss Catherman, the latter only 17, appeared before County Clerk Vosburg and said their ages were 19 each. He gave them a license. J. D. Dye, an uncle of the youth, saw the license in a paper and notified the sheriff. The circuit court will be asked to annul the marriage, but the young couple declare they will be married again when the boy is old enough.

LYNCHED BY NATIVES.

Islanders at First Planned to Burn Negro Murderer.

Mobile, Ala.—Captain Doe of the steamer Candor, arriving here late Friday evening from Ceiba, reports that the negro McGill, who murdered the crew and eight passengers of the cattle steamer Olympia, has been lynched. When McGill was captured at El Provincial he was placed aboard the Honduran warship Ta Tumbler and sent back to Utilla Island.

The natives were greatly wrought up over the horrible murders, and, according to Captain Doe, they first planned to burn the prisoner, but later he was taken from the officials and lynched. The laws of the island forbid capital punishment, and it was this fact that caused the lynching.

The Pole had announced his intention of leaving town.

IS ABSOLUTELY PURE

NATURE'S OWN RESTORATIVES FAVORITE PRESCRIPTION.

Dr. Pierce Announces the Ingredients of the Family Medicines Which Have Made His Name a Household Word in the World.

With all the recent talk about patent medicines and the determined effort in certain quarters to cast discredit upon all household remedies which come under that head, the fact remains that some of these medicines are so firmly established in popular favor and confidence, have so proved their worth and value, that all the denunciations of bigots cannot destroy the people's faith in them.

One of the best known of these remedies is Dr. Pierce's Favorite Prescription, a medicine which for years has been accepted by the people as a standard preparation for the cure of those ailments to which women alone are subject and which has proved to be a certain cure in nine cases out of ten and a sure relief in the other one.

There is nothing to conceal about the Favorite Prescription. It is an absolutely pure medicine—made of roots and herbs, Nature's own restoratives. Dr. Pierce is perfectly willing to let every one know that his Favorite Prescription contains Blue Cohosh (Caulophyllum Thalictrifolium), Black Cohosh (Cimicifuga Racemosa), Lady's Slipper (Cypripedium Pubescens) and Golden Seal (Hydrastis Canadensis). Every doctor knows that such a prescription is beneficial in the diseases of women and when properly compounded is certain to effect a cure in practically all cases when given a fair trial. Hereafter every bottle of the Favorite Prescription will plainly tell of what the medicine is composed. Thus Dr. Pierce will once more prove to the world his own confidence in the remedy which for forty years has borne his name and which is known all over the world as a sovereign cure for those diseases which, unchecked, make our women old before their time.

There is no alcohol in the Favorite Prescription. Dr. Pierce never believed in using alcohol in the preparation of his famous household remedies. For it is substituted chemically pure glycerine, which has wonderful properties for extracting the medicinal principles of roots and herbs and barks and preserving them at their full strength, without any deleterious effect whatever.

Your druggist sells the Favorite Prescription and also that famous alternative and blood purifier, the Golden Medical Recovery. Write to Dr. Pierce about your case. He is a well-qualified physician and will treat your case as confidential and without charge for correspondence. Address him at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., of which he is Chief Consulting Surgeon.

Cure For The Blues

ONE MEDICINE THAT HAS NEVER FAILED

Health Fully Restored and the Joy of Life Regained

When a cheerful, brave, light-hearted woman is suddenly plunged into that perfection of misery, the BLUES, it is a sad picture. It is usually this way: She has been feeling "out of sorts."

for some time; head has ached and back also; has slept poorly, been quite nervous, and nearly fainted once or twice; head dizzy, and heart-beats very fast; then that bearing-down feeling, and during her menstrual period she is exceedingly despondent. Nothing pleases her. Her doctor says: "Cheer up; you have dyspepsia; you will be all right soon."

But she doesn't get "all right," and hope vanishes; then come the brooding, morbid, melancholy, everlasting BLUES.

Don't wait until your sufferings have driven you to despair, with your nerves all shattered and your courage gone, but take Lydia E. Pinkham's Vegetable Compound. See what it did for Mrs. Rosa Adams, of 819 12th Street, Louisville, Ky., niece of the late General Roger Hanson, C.S.A. She writes: Dear Mrs. Pinkham—

"I cannot tell you with pen and ink what Lydia E. Pinkham's Vegetable Compound has done for me. I suffered with female troubles, extreme lassitude, 'the blues,' nervousness and that all-gone feeling. I was advised to try Lydia E. Pinkham's Vegetable Compound, and it not only cured my female derangement, but it has restored me to perfect health and strength. The buoyancy of my younger days has returned, and I do not suffer any longer with despondency, as I did before. I consider Lydia E. Pinkham's Vegetable Compound a boon to sick and suffering women."

If you have some derangement of the female organism write Mrs. Pinkham, Lynn, Mass., for advice.

DISFIGURING ULCER

People Looked at Her in Amazement—Pronounced Incurable—Face Now Clear as Ever—Thanks God for Cuticura.

Mrs. P. Hackett, of 400 Van Buren St., Brooklyn, N. Y., says: "I wish to give thanks for the marvelous cure of my mother by Cuticura. She had a severe ulcer, which physicians had pronounced incurable. It was a terrible disfigurement, and people would stand in amazement and look after her. After there was no hope from doctors she began using Cuticura Soap, Ointment, and Pills, and now, thank God, she is completely cured, and her face is as smooth and clear as ever."

Test for water.

A good test for water that can easily be tried is to fill a pint bottle two-thirds with water; add half a tablespoonful of granulated sugar and cover it with a glass stopper or a new cork and place it in the light of a warm room. If the water looks cloudy or milky within forty-eight hours it is impure, but if clear it can be used without any fear of its causing disease.
